Introduction, xxv

Book One

THE STORY OF CHRONIC PAIN:
HOW WE GOT HERE, I

SECTION I

Misconceptions in Our Modern Healing, 2

I: AN UNCOMFORTABLE REALITY	3
Science-Based Alternative Answers	4
Best Medicine in the World?	5
Drugs: Not the Safest Way to Achieve Health	6
The Adequacy of Musculoskeletal Care in the United States	8
Why Not Rely on Yourself? You're in the Driver's Seat	9
Turning Crisis into Opportunity	10
Running Toward the Wrong Goal	12
The Menagerie of Holistic Medicine	13
The Beautiful Tapestry of You	14
Disease-Care vs. Wellness Care	15

2: THE PROBLEM WITH PAIN	19
<hr/>	
Chronic Pain and Chronic Disease: Same Source	20
Looking for a Quick Fix	20
Everyday Pain and NSAIDs	21
Inflammation: Not the Bad Guy	23
<i>Our Misguided War on Inflammation, 24</i>	
The Many Faces of Chronic Benign Pain	26
The Role of “Silent” Inflammation in Chronic Pain and Disease	27
3: THE FALLACY OF PAIN RELIEF	29
<hr/>	
Dancing with Our Genes	29
Where Most Chronic Pain and Disease Come From	31
What Food Is and Its Connection to Pain and Disease	32
Our Health and the Health of the Earth Are One	34
The Dance of Earth and Sun That Is You	36
Appreciating Your Health from the Inside	37
The Hard Work of Digestion	38
<i>Case Study, 39</i>	
The Benefits of Bacteria	40
<i>Case Study, 41</i>	
Your Liver and the Importance of Detoxification	42
<i>Case Study, 43</i>	

SECTION 2

Roadblocks to Healing, 44

4: OUR FANTASTIC FASCIA	45
Movement Is Life	46
Primary Source of Chronic Pain: Muscles and Fascia	47
What Fascia Is Made Of	48
The Interwoven Tapestry of Your Fascia	49
Nociceptors: How We Hurt	51
The Specialness of Nociceptors and Chronic Pain	52
5: THE SMOLDERING FIRE OF CHRONIC INFLAMMATION	55
Inflammation: The Healing Response	56
Chronic Inflammation and Our Nociceptors	57
Chronic Inflammation and Degenerative Disease	59
From Inflammation to Free Radicals and Chronic Pain	61
The Nature of Free Radicals and Oxidative Stress	62
Oxidative Stress, Aging, and Your Mitochondria	64
How Mitochondria Are Vulnerable to Damage	67
Quick Reference Guide to Managing Oxidative Stress	69
6: THE PAINFUL SIDE OF SWEETNESS	71
The Roots of Our Sugar Addiction	72
What Is a High Glycemic Diet?	73
How a High Glycemic Diet Creates Problems	74
Pain, Disease, and Aging from Insulin Resistance	76
Diagnosing Metabolic Syndrome	77
Stopping Metabolic Syndrome from Ruining Your Life	80

7: OUR INJURED EARTH, YOUR INJURED SELF	83
<hr/>	
The Toxic Nation	83
<i>What About the Children's Health?</i>	85
<i>What About All This ADD/ADHD and Depression, or Why Is Everyone On Prozac?</i>	86
<i>How Bad Is It?</i>	88
<i>The Warning Had Been Sounded,</i>	90
How We Become Polluted	91
8: HOW IT ALL COMES TOGETHER NEUROLOGICALLY	95
<hr/>	
Stress: The Source of Your Pain	95
<i>The Nerve of Pain,</i>	96
<i>A Rose by Any Other Name,</i>	97
<i>Why the Big Deal over Terminology?</i>	98
Your Brain and the NML	100
Dietary Promotion of Painful NMLs	101
The History of the Trigger Point, or NML	102
How Pain-Causing Muscle Knots Form	104
The NML: Very Common, Never Normal!	107
The Active NML, or Primary Trigger Point	108
The Lurking NML, or Latent Trigger Point	109

Book Two

THE TRIANGLE OF HEALING: PHYSICAL/BIOCHEMICAL/SPIRITUAL, III

SECTION 3

Physically Healing Your Pain, 112

9: SELF-CARE IOI FOR MYOFASCIAL PAIN SYNDROMES 113

The Neuromyofascial Lesion of a Myofascial Pain Syndrome	114
Finding the NML, or Myofascial Trigger Point	115
<i>Figure 9.1: Trigger points and referral patterns for trapezius muscles, 115</i>	
Finding a Treatment Point, or NML	117
Reference Guide for Common Lower Body Pain-Causing NMLs	117
<i>Figure 9.2: Treatment areas for low-back/hip-leg pain, 118</i>	
Reference Guide for Common Upper Body Pain-Causing NMLs	119
<i>Figure 9.3: Treatment areas for headaches and for pain in the mid-back, shoulder, arm, and neck areas, 119</i>	
Physically Treating the NML, Your Source of Chronic Pain	120
Proper Self-Care Trigger Point Therapy	122
Why Trigger Point Therapy Is So Effective	124
The Neuromyofascial Patterns of Chronic Pain Disorders	126

10: CONQUERING YOUR LOW-BACK PAIN AND SCIATICA 129

How Your Back Is Built	130
The Patterns of Pain	131
Anatomy of a Low Back	132

An Unlevel Foundation: LLI	133
<i>Figure 10.1: Posture affected by unlevel foundation, 134</i>	
The Quadratus Lumborum Muscle	135
<i>Figure 10.2: Trigger point locations, 135</i>	
<i>Figure 10.3: Trigger points and common referral patterns, 136</i>	
<i>Figure 10.4: Self-administered trigger point therapy, 137</i>	
Why Trigger Point Therapy Sometimes Fails	138
The Lumbar Paraspinal Muscles	139
<i>Figure 10.5: Trigger point locations, 139</i>	
<i>Figure 10.6: Self-administered trigger point therapy, 140</i>	
<i>Figure 10.7: Trigger points and common referral patterns, 141</i>	
<i>Figure 10.8: Self-administered lumbar spine distraction, 142</i>	
<i>Case Study, 143</i>	
The Gluteus Medius Muscle	144
<i>Figure 10.9: Trigger point locations, 144</i>	
<i>Figure 10.10: Trigger points and common referral patterns, 145</i>	
<i>Figure 10.11: Self-administered trigger point therapy, 147</i>	
The Gluteus Minimus Muscle	148
<i>Figure 10.12: Trigger point locations, 149</i>	
<i>Figure 10.13: Self-administered trigger point therapy, 150</i>	
<i>Case Study, 151</i>	
The Piriformis Muscle	152
<i>Figure 10.14: Trigger points and location of piriformis muscle and sciatic nerve, 153</i>	
Piriformis Syndrome	154
Piriformis Myofascial Trigger Points	154
<i>Figure 10.15: Self-administered trigger point therapy, 155</i>	
<i>Case Study, 155</i>	
Piriformis Nerve and Vessel Entrapment	156
Rehab Exercises for the Core Muscles of Your Low Back	157
<i>Figures 10.16–20: Exercises, 158</i>	

II: SOLVING THE MYSTERY OF YOUR
CHRONIC SHOULDER AND ARM PAIN 161

<i>Figure 11.1: Right shoulder joint anatomy, anterior view</i>	162
The Challenge of Having It Both Ways— Mobility and Stability	163
Chronic Shoulder Pain: Where It All Begins	164
Shoulder Impingement Syndromes	165
<i>Role of Shoulder Abduction, 165</i>	
The Humble Shoulder Blade	167
<i>Figure 11.2: The scapula stabilizer muscles, 167</i>	
Infraspinatus: The “Shoulder Joint Pain” Muscle	168
<i>Figure 11.3: Trigger point locations, 169</i>	
<i>Case Study, 170</i>	00
<i>Figure 11.4: Infraspinatus trigger point, 172</i>	
<i>Figure 11.5: Self-administered trigger point therapy, 173</i>	
<i>Figure 11.6: Stretch for infraspinatus, 173</i>	
Infraspinatus “Little Brother”: The Teres Minor Muscle	174
<i>Figure 11.7: Trigger point locations, 175</i>	
Supraspinatus Muscle:	
The “I Think I Have Bursitis” Muscle	176
<i>Figure 11.8: How to find the supraspinatus trigger point, 176</i>	
<i>Figure 11.9: Trigger point locations, 177</i>	
<i>Figure 11.10: Self-administered trigger point therapy, 178</i>	
<i>Figure 11.11: Supraspinatus stretch, 179</i>	
Subscapularis Muscle: “My Arm Is Frozen” Muscle	180
<i>Figure 11.12: Trigger point and referral pattern, 181</i>	
<i>Figure 11.13: How to find the subscapularis trigger point, 183</i>	
<i>Figure 11.14: Self-administered trigger point therapy, 184</i>	
<i>Figure 11.15: Subscapularis stretch, 184</i>	
<i>Case Study, 185</i>	

**12: NAGGING MID-BACK PAIN
AND THE GREAT ENTRAPPERS** **187**

Rhomboids: The Midbackache Muscle	188
<i>Figure 12.1: Trigger points and common referral patterns, 189</i>	
<i>Figure 12.2: Self-administered trigger point therapy, 190</i>	
Rounded Shoulders, Mid-Back Pain, and the Pectoralis/Rhomboid Relationship	191
<i>Case Study, 192</i>	
Pectoralis Minor and Major Muscles	193
<i>Common Pectoralis Symptoms: What to Look Out For, 194</i>	
Pectoralis Minor Syndrome: Entrapping Nerves and Vessels	195
<i>Finding and Treating Pectoralis Trigger Points, 196</i>	
<i>Figure 12.3: Trigger points and common referral patterns, and three bands of pectoralis major, 197</i>	
<i>Figure 12.4: Coracoid process, 198</i>	
<i>Figure 12.5: Self-administered trigger point therapy, 199</i>	
Scalene Muscles: The Great Entrapment	200
<i>Figure 12.6: Trigger points and common referral patterns, 201</i>	
<i>Case Study, 202</i>	

**13: OVERCOMING UPPER BACK, NECK,
AND CHRONIC HEAD PAIN** **205**

Stressed Scapula Stabilizers Equals	
Neck Pain and Headaches	206
<i>Figure 13.1: Trigger points and common referral patterns, 207</i>	
Levator Scapula: The Stiff Neck–Bad Shoulder Muscle	208
<i>Figure 13.2: Trigger point location, 209</i>	
<i>Figure 13.3: How to find the levator scapula trigger point, 211</i>	
<i>Figure 13.4: Self-administered trigger point therapy, 211</i>	
<i>Figure 13.5: Levator scapula stretch, 212</i>	
The Trapezius Muscle	212
<i>Figure 13.6: Trigger points and common referral patterns, 213</i>	
<i>Causes of Upper Trapezius Trigger Points, 214</i>	
<i>Figure 13.7: Most common trigger point on human body, 215</i>	
<i>NML Location and Referral Pattern of the Upper Trapezius, 216</i>	
<i>Figure 13.8: Self-administered trigger point therapy, 217</i>	
<i>Figure 13.9: How to stretch upper trapezius muscle, 217</i>	
The Posterior Cervical and Suboccipital Muscles	218
<i>Figure 13.10: Trigger points of “ache in the head” muscles, 218</i>	
<i>Figure 13.11: Trigger points and common referral patterns, 219</i>	
The Headache Muscles	220
<i>Figure 13.12: Trigger points and common referral patterns, 221</i>	
<i>Figure 13.13: Self-administered trigger point therapy, 223</i>	
<i>Figure 13.14: Suboccipital lift technique, 224</i>	
The Deep Suboccipital Muscles	224
<i>Figure 13.15: Trigger points and common referral patterns, 225</i>	
Take a Holistic Approach to Your Headaches	226

SECTION 4

Biochemically Healing Your Pain, 228

I4: EATING YOUR WAY OUT OF PAIN AND INTO WELLNESS	229
Healing Your Pain vs. Relieving Your Pain	230
The Core Questions to Be Answered	231
What an Ideal Diet Is	232
<i>Figure 14.1: The traditional, healthy Mediterranean diet pyramid, 234</i>	
How to Follow a Mediterranean Diet	235
The Synergy of a Holistic Approach	236
Baby Steps to Eat Your Way out of Pain and into Wellness	237
<i>Step 1: Burn the Best Grade of Fuel, 238</i>	
<i>Step 2: Do an Oil Change, 239</i>	
Saving the Fish, or Going Vegetarian on the Oil Change, 242	
<i>Step 3: Tuning Up Your Cellular Engines, 245</i>	
How Much Magnesium Is Needed? 246	
How Do I Know if My Tissues Are Low on Magnesium? 246	
How Much and What Kind of Magnesium Should I Take? 247	
The Crucial Role of B Vitamins, 248	
The Rediscovery of Vitamin D ₃ , 250	
I5: SPICE UP YOUR HEALING	255
The Benefits of Healing Your Pain with Herbs	256
The Power of Ginger Root Extract	257
<i>Ginger and Chronic Inflammation, 257</i>	
<i>Ginger and Substance P(ain) in Chronic Myofascial Disorders, 258</i>	
Proper Herbal Supplementation	260
<i>Case Study, 262</i>	

The Power of Turmeric	263
<i>Curcumin Extract: Great Support for a Toxic World, 264</i>	
Protecting Your Heart and Brain with Curcumin	266
Proper Curcumin Root Extract Supplementation	269
Extra Help from Harpagophytum	270
About Possible Herb/Drug Interactions	271

**I6: CONQUERING MALDIGESTION, FOOD ALLERGIES,
AND DYSBIOSIS** **273**

Poor Digestion, Food Allergies, and Chronic Pain	273
Improving Your Digestion and Absorption	274
Self-Diagnosing Food Sensitivities or Allergies	276
<i>Utilizing Clinical Allergy Testing, 277</i>	
The Health Consequences of the Right Microbes in Your Gut	278
Dysbiosis and Your Chronic Pain	280
Finding Out What’s Wrong	282
<i>Comprehensive Digestive Stool Analysis, or CDSA, 283</i>	
<i>Urinary Organic Acid Test, 284</i>	
Getting Rid of Pain-Causing “Bad Bugs” in Your Gut	286
<i>Never Forget Fiber, 288</i>	

**I7: STRATEGIES TO ENHANCE DETOXIFICATION
AND ENERGY PRODUCTION** **289**

Liver: The Answer to All Questions	289
Phase 1 and Phase 2 of Liver Detoxification	291
How Chemical Toxins and Endotoxins Can Lead to Pain	292
The Challenge Before Us	293
Assessing Your Toxic Exposure	294
Chemical Exposure, Free Radicals, and Pain	295

Three-Step Program to Reduce Toxic Chemicals, Oxidative Stress, and Inflammation	296
<i>Step 1: Eat a Healthy, Organic Diet, 297</i>	
<i>Step 2: Filter Your Air and Water, 298</i>	
<i>Step 3: “Green Up” Your Personal Environment, 299</i>	
Nutritional Strategies to Improve Detoxification and Energy Production	301
Nutraceuticals to Enhance Detoxification and Mitochondrial Function	304
<i>Ginger and Curcumin Root Extracts, 304</i>	
<i>Silymarin, 304</i>	
<i>Green Tea, 305</i>	
<i>N-acetylcysteine, 306</i>	
<i>Alpha-lipoic acid and acetyl-L-carnitine, 306</i>	
<i>Coenzyme Q10, 307</i>	
How We Got Here	308
I8: FROM CHRONIC REGIONAL PAIN TO FIBROMYALGIA SYNDROME	311
<hr/>	
How to Assess If You Have Fibromyalgia Syndrome	312
<i>Fibromyalgia Classification Criteria, 313</i>	
Your Nervous System and Myofascial Pain from CRPs to FMS	314
<i>Figure 18.1: Increasing nociceptor and central hypersensitization, 316</i>	
<i>Figure 18.2: The mountain of chronic myofascial pain, 318</i>	
Fibromyalgia: It’s Not All in Your Head, It’s in Your Spinal Cord and Brain!	319
Comprehensive Wellness Strategies	320
<i>Restore Your Vitality! 321</i>	

SECTION 5

Spiritually Healing Your Pain, 326

19: THE BODY/MIND CONNECTION TO PAIN AND SUFFERING **327**

- The Source of Our Suffering 330
 - Hard-Wired for Fear and Anger, 331*
 - Figure 19.1: Pathway of fear and anger through the brain, 333*
- Turning Up Our Emotional “Set Point” 335
 - Making Our Matter Matter, 336*
 - The Connection That Can Control Our Fear, Anger, and Pain, 337*
- Controlling Our Fear and Anger with Inner Dialog 338
- Building Emotional Strength and Intelligence 340

20: PERENNIAL WISDOM’S PATH TO HEALING **343**

- Step 1: Awaken to “I Am Nothing; I Am Everything” 344
 - Being Nothing and Everything, 345*
 - Our Longing to Belong, 347*
 - Realize That Everything Is Love, 348*
 - Nourishing and Protecting Yourself, 349*
- Step 2: Cling to Nothing; Push Nothing Away 351
 - The Inherent Unsatisfactoriness of Our Wants, 351*
 - The Source of Our Unhappiness, 352*
 - The Destructive Nature of Our Selfish Cravings, 353*
 - Making Enough Simply Enough, 356*
 - The Way to Begin Healing, 356*
 - Embraced in the Loving Arms of Compassion, 357*
 - Hard-Wired for Compassion, 358*
 - Armed with Compassion by Heaven, 360*
 - The Peace That Passes All Understanding, 361*

**21: THE HEALING POWER OF FORGIVENESS
AND GRATITUDE** **363**

How We Destroy Our Peace 364

How This Madness Can Go to Sadness, 364

A Different View of Anger, 365

Step 3: Give Yourself the Gift of Forgiveness 366

The Real Gift of Forgiveness, 367

Step 4: Open to the Happiness in What's Happening 369

The Gift of Being Fully Present, 370

Step 5: Gratefully Bless What There Is for Being 371

The Grateful Heart of Blessing, 373

Website Resources, 379

Index, 389
